

PROJECT LIFESAVER®

...Bringing Loved Ones Home

- **Do you have a loved one with autism, dementia or a related condition?**
- **Are you worried about keeping track of a family member who is prone to wandering?**

Project Lifesaver is a safe and highly-effective way to locate missing persons with Alzheimer's, autism, Down Syndrome and other cognitive conditions.

This program is available to **Oswego County residents** through a partnership with the Sheriff's Office, 911 Emergency Communications Department, Oswego County Pioneer Search and Rescue Team and local law enforcement agencies.

To view our informational video, scan the QR code below or visit <https://youtu.be/edhZVxmXTpg>

Clients are fitted with a personalized wristband that emits a tracking signal 24 hours a day. Trained searchers use special equipment to track the signal and find the subject.
